

So you want to commission a piece of original artwork! Fantastic! Before we get started, let's go over a few things to ensure your satisfaction with the final product.

TERMS AND CONDITIONS

All price values are in USD.

Payment must be made through PayPal.

With the exception of flat-rate flash sale commissions, my rate starts at \$15 per hour.

For paintings, an additionally hourly rate of \$8 is required.

"Thumbnail" or preliminary sketches for the purpose of design approval are \$3 each.

COMMISSION PROCESS + TERMS:

- Please describe your request below with as much detail as possible (including links to reference images if you have them). The more information you provide, the better I can bring your idea to reality.
- For commissions quoted under \$50, **payment in full** is due up front (unless otherwise noted).
- For commissions quoted over \$50, I request that you provide a **50% initial deposit** before I begin working.
- Once you have paid the initial deposit, I will begin the work and will provide a rough draft sketch of the commission for approval before beginning work on the final piece.
- Once the commission is complete, I'll email you a low-resolution copy, at which time you must pay the remaining 50%. Once final payment is received, you will receive a full resolution, digital copy in PNG or JPEG format.
- **Please note that other than the non-exclusive right to share the copy you receive on the Internet, I retain all intellectual property rights in the commission, including ownership.**
- I will refund all sums paid in advance only if I can no longer deliver the commission.
- Turnover is 2-14 days unless otherwise specified.
- I do most of my work digitally but if a hard copy is available and you would like it in addition to the completed digital file, the price is half of the base price plus shipping and handling (if applicable).

EXCLUSIONS:

I will not draw the following:

- Complicated backgrounds (e.g., architecture, cityscapes, etc.)
- Explicit adult content (hardcore sexual content, extreme gore, etc.)
- Mecha
- Hate, bigotry and other offensive content
- Content that I am otherwise uncomfortable drawing

I reserve the right to turn down any commission requests.
